**ORDER**

This matter is before the Court on Defendant's Unopposed Motion to Extend Deadline to File Pretrial Motions, (Filing No. 368). The undersigned magistrate judge held a telephone conference with the attorneys regarding the motion. For good cause shown, including the volume of discovery and the government's intention to file a superseding indictment, the Court finds the motion should be granted. Accordingly,

IT IS ORDERED:

- 1) Defendant's Unopposed Motion to Extend Deadline to File Pretrial Motions, (Filing No. 368), is granted.
- 2) Pretrial motions shall be filed by May 30, 2025.
- 3) The government shall supersede on or before March 31, 2025.
- 4) In accordance with 18 U.S.C. § 3161(h)(7)(A), the Court finds that the ends of justice will be served by granting this motion and outweigh the interests of the public and the defendant in a speedy trial. Any additional time arising as a result of the granting of this motion, that is, the time between today's date and May 30, 2025, shall be deemed excludable time in any computation of time under the requirement of the Speedy Trial Act. Failure to grant this motion would deny counsel the reasonable time necessary for effective preparation, taking into account the exercise of due diligence, and the novelty and complexity of the case. The failure to grant this motion might result in a miscarriage of justice. 18 U.S.C. § 3161(h)(7)(A) & (B). Failing to timely object to this order as provided under this court's local rules will be deemed a waiver of any right to later claim the time should not have been excluded under the Speedy Trial Act.
- 5) No further continuances will be granted absent a showing of exceptional good cause and without first requesting a hearing before the undersigned magistrate judge.

Dated this 11th day of February, 2025.
